VENTA LA OSSA TNT 2014

ORIGIN: Exclusive and original, TNT is conceived by acclimatising the Portuguese variety Touriga Nacional in our experimental plot of land La Solana. In this case, it has been sprinkled with some of our best Tempranillo grapes and nuanced by its measured ageing in the barrel; its intensity and balsamic character surprises everyone

TOTAL PRODUCTION: 5.000 bottles

VINTAGE: 2014

CHARACTERISTICS OF THE VINTAGE: The 2014 vintage was marked by an excess of rainfall that resulted in a very high yield throughout the entire denomination. Our vineyards, which usually have a very low yield, were actually favoured by these rainfalls, producing higher yields, although not in excess, and this enabled us to maintain the wine's usual high concentration, colour, intensity and fruity aromas.

WINEMAKING

VARIETY: 85% Touriga Nacional, 15% Tempranillo

AGEING: 12 months in French oak barrels

WINEMAKING: The harvest started on the 3rd week of September using boxes. A subsequent selection was carried out on the selection table once the grapes reached the winery. The malolactic fermentation took place in barrels.

VINEYARDS:

SOIL: The wine is grown in a single vineyard called Finca La Solana, which is in the heart of La Mancha on a slope with a clay-sandy soil.

CLIMATE: continental and Mediterranean

TASTING NOTE:

This wine combines fruit and floral aromas, and it has a very marked balsamic and mineral sensation that makes it a fresh, complex, elegant and unique wine. On the palate, it is round, tasty and long, leaving a balsamic and floral aftertaste, making it a very pleasant wine to drink. This year it has gained strength, length... A surprising wine.

PAIRING:

Venta La Ossa TNT pairs perfectly with dishes prepared with game birds. It is also a great wine with red meats and traditional stews.

TECHNICAL INFORMATION:

ALCOHOL CONTENT: 14% Vol.

TOTAL ACIDITY: 5 g/L (tartaric)

RESIDUAL SUGAR: <2 g/L

MANO A MANO IS BORN IN 2006 in Alhambra, Ciudad Real. From the moment of its inception, it invests strongly in the land of wine par excellence, where half of the Spanish vineyard is concentrated. The Tempranillo variety used in Mano a Mano is different to the Tempranillo produced in other regions because of its capacity to adapt to dry conditions, which results in the production of more robust wines with intense colours and a strong taste.
